

SAVE THE CHILDREN

WIN THEM FOR CHRIST

Hope Children's Home Report

Thank You Sponsors for helping the 9 Children on a regular basis.

We thank Stan Gain who has visited our Orphanage. He managed to give us some support for the gifts of the children and we have purchased blankets and some other gifts to 34 children and they are so happy to receive.

A whole day was spent with the children and we care for these children to win them for Christ.

We still need support for some of the children and we request you to possibly consider saving a child for 15 or 20 Pounds a month. There are still more children needing your support.

We are in a rented campus of saving and caring this children and the owner keeps troubling us and enhancing rent and does not like seeing the children worshipping Jesus. The owner is a Hindu man and we are really facing difficulties in searching a home for the children on a rent basis. **WE STRUGGLE TO FACE THESE PROBLEMS FROM TIME TO TIME AS INDIA IS A PAGAN COUNTRY.**

We are trying to see and locate a site to build a small children home and your one time gift would enable us to have a campus and the first phase is acquiring a site for 20000 UK pounds and then for the completion of the Children's Home Building it would be 20000 UK pounds. We know Starfish Christian Trust is changing lives one life at a time and doing their best.

SAVE THE CHILDREN

WIN THEM FOR CHRIST

Hope Children's Home Report

We ask you to consider this project and see if you can do something and also can spread this news to others so that we would have our own children campus.

We enclosed the reports and submitted to Bro Stan Gain and the children truly needs your little support for Christmas and your generous support will buy them some clothing which would be really great.

Truly the children are so happy to see Stan in their midst and they feel as their father as this children parents has sold them for slavery and the Starfish Christian Trust has rescued them from slavery and made a huge difference in their lives.

One most important and priority need at the Orphanage is we need some stair steps temporarily as the Government has broke down our road to build a drainage and we have to do this on our own as the owner cannot do this and we need a inbuilt motor for the children home which all together costs 300 UK Pounds. Please pray for this need.

On behalf of Hope Ministries I personally thank Bro Stan and all the sponsors who has a heart to support this children.

Our children send their love and hugs to you all.

Your Loving Brother

Joshua
