

## RESCUE REPORT TO STAR FISH CHRISTIAN TRUST- A BIG THANK YOU TO ALL TRUSTEES

Dear Beloved Trustees,

Greetings to you all in the precious name of our Lord Jesus Christ.

In this New Year, we truly thank all the trustees for your generous hearts in releasing 5 innocent girls from prostitution and bonded labour. This made these girls free from severe prostitution. We were able to pay the monies and released these 5 girls from prostitution. They are so happy and one girl says like this with her heart

*"Trustees! We do not know where you live and we do not know in person and we did not see you but Lord helped us through your hearts to rescue us and our Jesus heard our prayers and released from great pain. I have severe bleeding still now and face great challenges every night, but now Jesus saved me from this darkness and I came to the light of life. Thank you trustees....."*

We are so grateful and thankful to you all for your hearts in releasing these girls, I have also made a small video which I would put in the WhatsApp to Stan so that he might get you to see this video.

There are millions of children in this great slavery and bonded labour and prostitution, but we can save one life at a time. I would write you more news and update in my next letter.

But for the medical expenses and for 2 girls there is a bleeding problem and some other sexual related problems which I cannot explain over here, but our doctor has arranged a lady doctor and she is treating them well, and we need 30,000 rupees for the medical expenses and the girls are now having free education and can continue their classes from which they stopped.

We are praying for you all and we once again thank Bro Stan Gain who has taken initiative in bringing our appeal to trustees and made them to donate and release these innocent girls.

Love to you all.

Your Loving Brother

Joshua
